About RRQMA

RRQMA has been the cornerstone for youth motorsports in New Mexico since our founding in 1999. We are a 501(c)(3) nonprofit organization whose goal is to develop a sense of sportsmanship in children through the sport of race car driving! Quarter midget racing is a family-oriented sport where cars, rules and safety procedures are specifically designed for kids aged 5 to 16 years old. Children develop coordination and focus while having fun on and off the track. As their skills improve, each kid moves up into faster and more competitive classes.

RRQMA's home is at Albuquerque's Sandia Speedway where we hold NASCAR Youth Series sanctioned local, regional and national races. Come and see the fastest youth in 4 wheels!

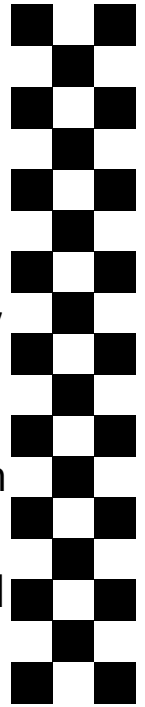

What We Do

Moms, dads, grandparents, aunts, uncles, and friends are the trainers, handlers and pit crew. On race days we become tower staff, safety coordinators, technical support, concessions staff, photographers, and videographers.

Before the fun can began, we were the track cleanup and facilities maintenance crew. The effort is well worth it when you get to watch a child put on a racing helmet, fire suit, and a host of other safety gear to drive a gasoline powered race car with a huge smile on their face.

But, we need your help!
